

CGMA[®] UNIVERSITY PROGRAM

Jump-start your dream career.

About AICPA® & CIMA®

The Association of International Certified Professional Accountants® (the Association) represents AICPA & CIMA and works to power opportunity, trust and prosperity for people, businesses and economies worldwide.

It represents 698,000 members, students and engaged professionals in public and management accounting and advocates for the public interest and business sustainability on current and emerging issues.

With broad reach, rigor and resources, the Association advances the reputation, employability and quality of CPAs, CGMA designation holders and accounting and finance professionals globally.

Obtain CIMA's diploma as a part of your degree.

You can study the CGMA Professional Qualification as a bachelor, master or postgraduate student. You do not need prior qualifications or experience to start the Certificate in Business Accounting (Cert BA) and can head straight into the business world.

Get a global qualification to stand out

AICPA & CIMA is partnering with the best universities in Poland to create the CGMA University Program. You can advance your studies by gaining professional qualifications in management accounting for a competitive edge in the job market.

Management accountants are qualified to work across the business, not just in finance, advising managers on the financial implications of big decisions, formulating business strategy and monitoring risk.

STEP Sign up for the CGMA Program.

2

You can join the program every year throughout October. Register your interest at cimauczelnie.pl. Your university coordinator and AICPA & CIMA will verify your program eligibility.

STEP **Become a CGMA candidate.**

3

—

Register with us and pay a one-time registration fee, which includes initial registration, a credit to sit one CGMA exam and your first year's subscription fee.

All CGMA University Program participants are full-fledged CGMA candidates with all the global and local benefits.

STEP **Schedule your exams.**

4

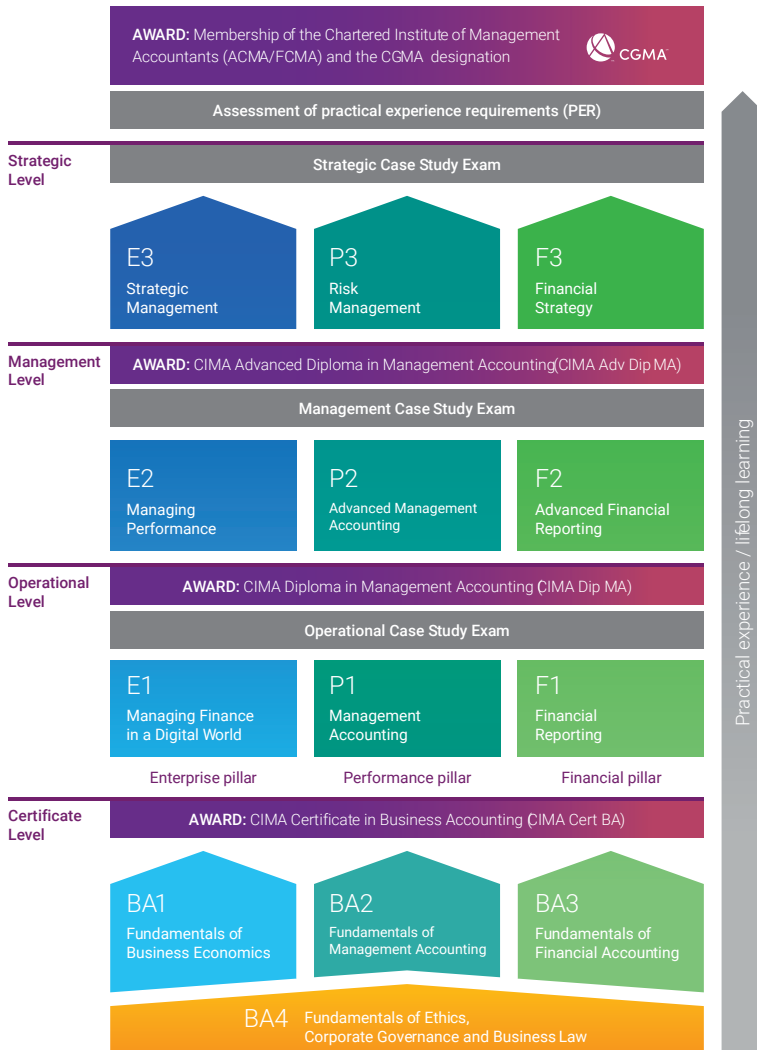

—

Study towards your degree, upon passing all your university exams, you will be granted exemptions from certain CGMA exams.

All you have to do to receive your CIMA diploma is to pass one or more external exams, depending on your university course.

The programme structure

CIMA's CGMA University Program is implemented through selected courses at the university. Students who complete all required courses are exempt from specific CGMA exams. After passing the final external exam, you can obtain a CIMA diploma at two or even three levels: Certificate level, Operational level or Management level.

Why choose the CGMA?

1. **Future-proof your degree even more with new skills** – Gain a competitive edge while studying.
2. **Meet the expectations of a changing world** – The designation confirms the highest competencies in business and finance.
3. **Unlock the global job market** – Join a community of 698,000 finance professionals and expand your network.
4. **Boost your earning potential** – A CIMA diploma can increase earnings by up to 86%.
5. **Start your journey to international success with the CGMA designation.**

We're here to support you every step of the way as you work hard to obtain the CGMA designation and career success.
