## 2+2 with Chinese universities

- The students of the partner institutions in China, study at their home university for the first 2 years completing the subjects of the 1<sup>st</sup> year programme of Economics at the University of Lodz
- Later they come to Poland and continue their studies for the next 2 years.

# UniLodz - the first Polish university with IACBE accreditation

for Economics program

In 2021 two business programs taught in English at Uniwersytet Łódzki – **Economics at the Faculty of Economics and Sociology** and **Business Management at the Faculty of Management** have been granted a prestigious, American accreditation of International Accreditation Council for Business Education.

# Cooperation with the business environment

- ✦ Since 2017 the Faculty runs **the Programme of cooperation with the environment**, focused around three strategic objectives:
  - ✦ 1 | Practice-based model of education
  - ✦ 2 | Creativity-culture-entrepreneurship triad
  - ✦ 3 | The faculty for animating the exchange of ideas, debate and cooperation
- ✦ About 20 companies are members of **The Faculty's Council of Business**
- ✦ **Faculty's Centre for Training and Apprenticeship:**
  - ✦ provides trainings, internships and job opportunities for our students (15 internship managers as brokers between the academy and employers)
  - ✦ more than 1,300 students undertake internships each year
- ✦ Some study programmes are co-organised with business partners
- ✦ The Faculty provides expertise to local and national governments and government agencies, NGOs, primarily in the field of public finance, accounting, regional and urban development, and strategic planning.

## The Faculty's Council of Business initiatives

- **EkSoc startUP!** Contest for students of all universities from the voivodeship of Lodz for the most innovative startup idea.
- **Library of case's** – a catalog of case studies created by EkSoc's business partners, which can be used by the lecturers in their classes.
- **VIP Talks** – a series of meetings of entrepreneurs with students about running your own company, the way to success, current socio-economic problems faced by entrepreneurs.
- **Breakfasts with an entrepreneur** – a series of meetings with founders and presidents of companies, during which they talk about the beginnings of their business.
- **Scientific debates and conferences**

## Centre for Training and Apprenticeship

**Mission:** coordinate and professionalize the cooperation of the Faculty of Economics and Sociology of the University of Lodz with entities from the business and institutional environment for the development of the competences of students – future employees of our partners.

- helps reach students and graduates of the Faculty with the job, internship and apprenticeship offers
- provides substantive and organizational support to entrepreneurs in finding and employing apprentices
- invites employers to carry out practical classes for students
- organizes trainings, courses and workshops together with employers
- helps build an employer brand among students and graduates of the Faculty

# EK EkSoc

Since 2019, under the name EKO EkSoc, the Faculty has been implementing a student and employee initiative for environmental protection and adaptation to climate change:

- an open team was created, composed of representatives of the Faculty's community
- important environmental issues are popularized through the Faculty's social media
- examples of realizations: Bees at the Faculty, nesting boxes for birds, bicycle shelter.
